## Research Details :

Research Title	: <u>Primary Health Care</u>	<u>Primary Health Care</u>
Descriptpn	: This article outlines the strides taken by Saudi Arabia since 1980 towards providing primary health care for the entire population. Basic facilities have been introduced in accessible locations, more personnel have been trained and retrained, and considerable attention has been given to the education of the public in health matters.	
Research Type	: Thesis	
Research Year	: 1986	
Added Date	: Monday, May 05, 2008
